

# Bakery experience day

## Come and bake with us!

Our friendly and informal bread-making workshops are suitable for beginners or more experienced bakers.

We start at 10.00am. By 4.00pm you will have made wheat and rye sourdough loaves, yeasted rolls, and fresh baked croissants to take home. You will have learned enough to start baking at home (with Companions own sourdough starter to take away). And, you will have enjoyed your own sourdough pizza for lunch.

**Cost £80 per person**  
(Maximum group size 6 people)
